Hi SPBID Board members,

I'm reaching out with a time-sensitive request – I'm looking for 2-3 overnight parking spaces in a secured lot for our clean and safety vehicles. After a lot of back and forth, the operators of the garage we currently use just informed me that we are no longer able to keep the vehicles there, so we're in a bit of a bind.

Are any of you able to help out with this, even temporarily until I can secure something long-term?

Thanks very much,
